Sept would be fine. We still have a lot of sample processing to do anyway. I appreciate you working on this with me Don.

Hey Dan, Scott Walker informed me yesterday that the 70 ABAs for Upper Animas will cost my TO about \$7K. Funding is looking tight for August and this will be tough to cover. Can we reduce the number of ABAs and or wait to send them out in September under the new contract year?

Thanks, -dgg
